MEMORANDUM FOR THE RECORD

25X1A

SUBJECT: Project [REDACTED]

25X1A

25X1A

1. On 16 July 1953 [REDACTED] telephoned to say that he had read the [REDACTED] paper and sent it to the General Counsel. He is entirely in agreement with the paper and believes that in studying it I should concentrate on the "eleven hard core cases." The paper does not say what is to be done with these cases but merely says that the problem can be met by stepping up other disposal methods.

25X1A

2. While [REDACTED] respects the disposition of the eleven cases as the sixty-four dollar question to which he does not have an immediate answer, he believes that a careful study of this group to date reduces the number to "almost nothing" and that even though final disposition is not in sight we could make some arrangements to take care of these people by 1 January 1954, and at considerably less cost than continuing to operate [REDACTED]
